OUR STORY

A WARM WELCOME TO SCHWEIGER BRAUHAUS

We have run the Schweiger Brauhaus since 2013, with a great deal of passion and heart. Together with our team we want to create a place where warm hospitality, honest cooking and real conviviality come first.

We combine Bavarian tradition with fresh ideas, and we care above all about regional produce, quality and preparing everything properly by hand. Our aim is simple: we want you to feel at home with us and to come back gladly.

Our house is closely tied to the history of Privatbrauerei Schweiger. Since it was founded in 1934, the brewery has stood for independent brewing and for its bond with Markt Schwaben.

Thank you for visiting. We wish you enjoyable hours, good conversation and moments you will remember.

Because pleasure is fleeting.
Fine memories stay.

Yours, Alexander Hoyer
and the whole team at the Schweiger Brauhaus

A shared idea between a restaurateur and an engineer became an extraordinary London Dry Gin from Bavaria.

Seventeen carefully chosen botanicals — among them native spruce needles from the forests around Höhenrain — give it an unmistakable character with fine juniper, citrus and ginger notes.

Handcrafted. Unfiltered. Full of character.

SCHWEIGER BREW WORKSHOP

Somnium **0.75 l €14.50**

Somnium is the dark, extra-strong beer speciality from our brew workshop. It is made with time and craft in a special process: the finest speciality malts, a triple mash and a double fermentation give it a wonderfully layered aroma with pronounced malt and fruit notes. Best enjoyed from a sommelier or wine glass — and it keeps well if you would rather lay it down.
